DATA ANALYST | FRONT END DEVELOPER

I am passionate about transforming complex datasets into actionable insights and developing responsive web applications. With skills in HTML, Java, Python, C, C++, Power BI, Tableau, MS-Excel, SQL, CSS, and JavaScript, I am eager to start my journey as a Data Analyst or Frontend Developer in a dynamic environment. I am seeking a position where I can apply my full potential and academic skills to contribute to the growth and success of the organization.

Technical Skills:

- Programming Languages: C , Python, SQL , Java ,C++
- Web Development: HTML,CSS, JavaScript
- Framework: .NET, Asp.NET
- Data Analysis: Data Visualization, Statistical Analysis
- Database Management: MySQL

Tools & Technologies:

- Data Analysis Tools: Tableau, Power BI, Excel, MySQL Workbench
- Development Tools: GitHub, VS Code,
- Design Tools: Figma, Photoshop,Canva

PROJECTS

1) Personal Portfolio website

Oct 2023 - Jan 2024

Tools: Vs code | GitHub | HTML | CSS | JavaScript | Excel

- Created a personal portfolio showcasing projects and skills using HTML, CSS, and JavaScript for a responsive and interactive design.
- Integrated Excel for data Collection and utilized GitHub for version control and project management.
- The portfolio highlights my expertise in web development and data analysis, demonstrating my ability to build functional, visually appealing websites while managing code and collaborating effectively.

2) Product Sales Data Analysis

Jan 2024 - Present

Tools: PowerBI | MS-Excel | SQL

- Developed a dynamic Product Sales Analysis dashboard using data visualization techniques.
- The dashboard provided insights into sales trends, performance metrics, and customer behavior.
- Utilized tools like Excel | Power BI to analyze data, identify key sales drivers, and present actionable insights to enhance decision-making for stakeholders.

3) College Students Expenses Analysis

Working on This

Tools: PowerBI | Ms-Excel | Google Forms

- Developing an interactive dashboard to analyze college students' expenses, using data visualization tools to identify spending patterns and trends.

EDUCATION

Bachelor of Technology -Present

Majors: Artificial Intelligence and Data Science
Dhanalakshmi College of Engineering

Higher Secondary School Certification -2021

Marya Nivas Matric Higher Secondary School

Secondary School Certification -2019

Sri Saradha Easwar Vidya Mandir Matric Higher
Secondary school
